**ATTORNEY GENERAL ISSUES REPORT ON
UNLAWFUL CONDUCT ON THE INTERNET**

WASHINGTON, DC - Attorney General Janet Reno today issued a report that presents an analysis of legal and policy issues created by unlawful conduct on the Internet. The report, entitled, *The Electronic Frontier: The Challenge of Unlawful Conduct Involving The Use of the Internet*, is a product of the President's Working Group on Unlawful Conduct on the Internet. The report finds that the Internet presents new and significant investigatory challenges for law enforcement at all levels.

"The Internet has afforded our society unparalleled opportunities, many which we are just discovering, but it is also providing new opportunities for criminals to engage in crime," said Attorney General Janet Reno. "Through the continued efforts of law enforcement and private industry we will ensure that the Internet reaches its full potential for expanding communications, facilitating commerce, and bringing countless other benefits to our society."

The report recommends a three-part approach to address unlawful conduct the Internet and concludes that:

- Regulation of unlawful conduct involving the use of the Internet should be analyzed through a framework that ensures that online conduct is treated in a manner consistent with the way offline conduct is treated, in a technology-neutral manner, and in a manner that recognizes and protects privacy and civil liberties.
- Cybercrime presents unique and significant challenges to law enforcement which requires resources for training, new investigative tools, legal authorities and capabilities.
- Continued support of private sector leadership is needed to promote and teach "cyberethics" to empower Internet users to prevent and minimize the risks of unlawful activity.

The Working Group analyzed existing federal law for its applicability in cybercrime cases. It determined that current law is appropriate in most cases of fraud, child pornography, sale of prescription drugs and controlled substances, firearms, gambling, alcohol, securities fraud and intellectual property over the Internet. It also indicated a need for modification of certain procedural and evidentiary laws in order for law enforcement to confront the challenges created by the Internet.

According to the report, the challenge facing law enforcement is the difficulty in finding criminals in the Internet's multi-jurisdictional, global environment. The inability to track down sophisticated criminals who hide their identities online, the need for better coordination among law enforcement agencies, and the need for trained and well-equipped personnel at all levels of law enforcement is critical to fighting cybercrime.

The report also states that when addressing these challenges, the government should carefully consider all societal interests. A balance must be struck when investigating and prosecuting criminals which takes into account free speech, protecting children, reasonable expectations of privacy, broad access to public information, and legitimate commerce.

The interagency Working Group was established in August 1999 by a Presidential Executive Order, under the leadership of the Attorney General, to address the issue of unlawful conduct involving the use of Internet. The working group was directed to perform their evaluation within the context of current Administration policy which included promoting self-regulation in the industry, supporting technology-neutral laws and recognizing that the Internet is an important resource for commerce, communication and education.

The Working Group benefitted from the views of a variety of sources. providing input included various entities of the federal government, and local groups, industry groups, and non-profit advocacy and civil liberties groups.

The Working Group's Report is available on-line at:

Farrow with Eliza

Ex-Con Threatens to Take Mia's Child

by Marcus Errico

Jun 9, 1997, 2:00 PM PT

Forget Woody, Mia Farrow has a bigger problem on her hands: a potentially violent stalker. A Texas fugitive, who claims to be the biological father of Farrow's adopted daughter, Dylan, says he's heading to Connecticut to "recapture" the child, a state prosecutor said Monday.

In 1992, State's Attorney Frank Maco was assigned to the Farrow-Allen case. Mia had accused Woody of sexually molesting their jointly adopted daughter, Dylan. As the case grabbed headlines nationwide, Maco started receiving letters from Carl Guichard--a Texas inmate who claimed the girl was his child.

(Allen was subsequently cleared and Maco never filed charges. However, in December, a New York judge barred the director from visiting Dylan--who now goes by the name Eliza--saying that the 12-year-old "remains adamant in negative feelings toward Mr. Allen.")

Maco dismissed Guichard's claims and didn't think of him again until November, 1994. That's when Guichard, paroled after his sentence for theft, showed up in New York City and held a series of press conferences restating his claims.

About that time Maco discovered another cache of letters, courtesy of the FBI. In those missives, originally written to Farrow's lawyers, Guichard stated that Dylan "was subject to recapture" and that, unless he was given back his daughter in a timely manner, it would be "a deadline for bloodshed."

"I called down to Texas and said, 'I think we may have a problem here with Mr. Guichard,'" Maco recalled.

New York shipped Guichard back to his Texas cell, where the Louisiana native remained until coming up for mandatory parole last summer. Texas authorities restricted Guichard's travel rights, but, before they could fit him with an electronic monitoring device, Guichard split. "That was November 1996. He's been on the lam ever since, surfacing here and there," Maco said.

Then last Monday, Guichard called up a Connecticut journalist and told him that he'd be in town in "a couple of weeks." The journalist called Maco who put police "on a position of preparedness in the area around Farrow and her family" in Litchfield County.

Now, cops are waiting for the 60-year-old fugitive--who's rap sheet includes assault, harassment and kidnapping. "I have to let everyone know that this guy's still out

Parolee May Be After Mia Farrow's Daughter

A missing parolee who has made threats against Mia Farrow and Woody Allen and who claims to be the father of their adopted daughter, Dylan, may be on his way to Connecticut, state's attorney Frank Maco said on Thursday. Sixty-year-old Carl Guichard contacted a Connecticut reporter last week and indicated that he was on his way to the state in which Farrow and her children live. Maco says the local police have been alerted. Guichard first emerged when Allen was under investigation for allegedly molesting twelve-year-old Dylan (he was never prosecuted). Guichard made public claims that he was the child's biological father, and said in letters that he intended to "recapture" her. He also threatened "bloodshed" if the child was not handed over to him. Guichard alleged that his common-law wife gave Dylan up for adoption without his consent while they were both serving prison terms. Farrow adopted Dylan in 1985, and Maco says Guichard is not related to the child. As a result of the threats, Guichard, who was already on parole from a previous jail sentence, was sent back to prison, where he remained until he was paroled again last summer. He has not checked in with his Texas parole board since November. "We're trying to impress upon [Guichard] that Connecticut and Litchfield County are the last places in the country [he wants] to consider traveling to at this point," said Maco.

Man who threatened Mia Farrow may be headed to Connecticut, authorities say

LITCHFIELD, Conn. (AP) - Connecticut authorities say have they reason to believe a Texas fugitive who has threatened actress Mia Farrow and her daughter may be planning a trip to the state.

Litchfield County State's Attorney Frank Maco said Thursday he has received information that Carl T. Guichard plans to travel to Connecticut in the next two weeks.

Guichard, 61, walked away from a halfway house in Texas four months ago. He had been serving time for a probation violation after making threats against Farrow and her adopted daughter Dylan, Maco said. The Farrows live in Bridgewater.

Guichard has claimed to be the biological father of Dylan and has threatened in letters to "recover" the girl by whatever means needed.

"Wherever he is and whatever he plans to do, I suggest that Connecticut and Litchfield County are the last places on earth where he should show up," Maco said.

As a fugitive, Guichard can be arrested by any law enforcement officer. If he is caught in Litchfield County, he could also be charged with stalking, threatening, risk of injury to a child and custodial interference, Maco said.

Mia Farrow slams Woody Allen in tell-all book

February 5, 1997

Web posted at: 11:20 p.m. EST

NEW YORK (Reuter) -- Mia Farrow's long-awaited memoir on life with Woody Allen hit bookstores Wednesday, painting the director-comedian as more neurotic than anyone he ever played in one of his films.

(CNN/file)

Forget Valentine's Day. In "What Falls Away," Farrow wrote a poison pen letter accusing Allen of bizarre behavior culminating in his seducing one of her adopted daughters and possibly sexually molesting another.

But some pages in Farrow's 370-page book read like scenes from a Woody Allen comedy -- such as his early habit of asking his secretary to call Farrow to arrange dates and never directly doing it himself. Alone with her, he could not bring himself to say her name.

Allen

"Woody Allen was connected to his doctors like no one I ever heard of: he had a doctor for every single part of his body. Whenever one of his movies came out he'd have a screening for his doctors and their wives. It was called 'The Doctor's Screening' and the room was always full," she wrote, adding that if Allen felt the least bit ill he would take his temperature every 10 minutes.

"He kept his own thermometer at my apartment. In his pocket

he kept a silver box of pills for any conceivable ailment."

A romance gone down the drain

Farrow, whose 1992 child custody battle with Allen made international headlines, said one of their oddest moments together came when he discovered the drain to the shower in her new country house was in the middle and not the side.

"What happened? I asked, 'What's wrong?' 'The drain is in the middle,' he said, shaking his head dismissively as if I should have known."

Farrow had to build another shower with the drain at the side.

Farrow said that in her years with Allen, "There were three of us in the relationship: Woody, his shrink and me. No decisions were ever made without her. He didn't even buy sheets without talking to her. I know that part of several sessions went into his switch from polyester-satin to cotton."

In the book Farrow described her shock at first discovering Allen had taken pornographic photos of her adopted daughter Soon-Yi Previn and then that he was having an affair with the 17-year-old.

Farrow also wrote of her 7-year-old daughter Dylan, accusing Allen of sexually molesting her -- a charge Allen strongly denied. He was never charged.

Farrow described Allen as being obsessed with Dylan, saying, "He whispered her awake, he caressed her and entwined his body around her as she watched television, as she played on the floor, as she ate, as she slept. He brought her into bed when he was wearing only his underpants. Twice I made him take his thumb out of her mouth."

The actress, who was married and divorced from Frank Sinatra and conductor Andre Previn, said she cannot explain why she continued her relationship with Allen for so long.

Woody Allen's spokeswoman, Leslie Dart, said he would have no comment on the book. Told that Farrow had used the volume to make numerous accusations against her employer, Dart replied: "I'm not surprised. She's been doing that for four years."

Neil Gallagher, Special Agent in Charge
Federal Bureau of Investigations
1250 Poydras, Suite 2200
New Orleans, Louisiana 70113-1829

Subject: Complaint to file criminal charges against Woody Allen,
movie actor of New York, after investigation into the
"allegations" made by Mia Farrow, actress, and an
individual named Kristy Groteke.

Special Agent Gallagher:

I enclose copy of U. S. Supreme Court Case 94-5491 for the
October, Term. The writ of centerori explains the overall obstruction
of Federal Justice, Texas Criminal and Civil Justice, and Louisiana Law.

With respect to the present issues before the U. S. Supreme
Court, I now wish to file a complaint regarding the above subject. The
jurisdiction of the F. B. I. is that I am a citizen of Louisiana, the bio-
logical father of the child abuse of whom was infact conceived here within
the State of Louisiana. The complaint is filed now as a citizens complaint
with respect to the fact I am the father and request a federal investigation
into the issue of child-abuse as stated by the above individuals; Mia Farrow,
Kristy Groteke (The Nanny) and Mr. Frank Maco, the District Attorney for
Litchfield County, Connecticut.

The "alleged" sexual abuse to my child; Karen Lynn Karkosky
Guichard now known as "Dylan" O'Sullivan Farrow, occurred according to
the above named individuals sometime within the year 1992 within Litchfield
County, Connecticut. It is my understanding that Mr. Frank Maco, District
Attorney for Litchfield County recently stated that eventhough he did not
prosecute Mr. Woody Allen the evidence he obtained proves that a child-
abuse did infact occur.

Therefore; one can fully understand that I, as father, hold all

parties involved responsible regardless of Mr. Maco's apparent lack of prosecution of the accused.

If your office is not famaliar with the State of Connecticut investigation by Mr. Frank Maco, I now demand a federal investigation in the best interest of my daughter of whom shall be returned, and to the clarification concerning this very grave offense that continues to place individuals at further responsible positions.

In addition; my daughter and I are the victims of continual and life time "branding" by these accusations and both wish this issue to be settled by and through your investigation.

With respect to the pending U. S. Supreme Court Case 94-5491, a DNA test motion shall be filed requesting positive proff that as biological father and one of whom was denied due process to my child of whom is infact "Dylan" O'Sullivan Farrow, shall then only prove to others what I know to be; therefore, the urgency of your investiagion into this matter is and must be of vital importance.

These issues must be resolved immediately and this complaint investigated through or by your office.

Sincerely,

United States. The deprivation of the mandatory parolee's civil rights pursuant to a pattern or practice of resistance of the full enjoyment of those rights lies within the procedures "forced-upon at the "Walls" Huntsville, Texas...i.e..to sign arbitrary documents of which are in violation of due process, or return immediately to further imprisonment. Nevertheless; the Arbitrary Document a request by Mia Farrow to "Electric-leg-monitor" the then Mandatory Releasee; Carl Thomas Guichard, Sr did also violate the Texas State Legislature Guidelines of 1992 and of his plea-bargain sentence of 1992 as well. Later and in addition it proved to be in violation of the then 1996 contract between the Texas Department of Corrections and Parole Board with Mr. Land Manor of Beaumont, Texas. (See Beaumont Enterprise Newspaper articles dated, _____.

The Mandatory Releasee; Carl Thomas Guichard, Sr was then assigned to Land Manor Half-Way House located, _____.

6 C, Mr. Bill Seabourne then Parole Officer had refused to "electric-leg-monitor" the mandatory releasee for

a parole stipulation "P".. "Electric-leg-Monitor" was then to be of contractual violations between the parties; the State of Texas...i...e...Texas Department of Correction, the Texas Pardons and Parole and Carl T.Guichard's 1992 sentencing guildlines, as well the 1996 contract agreement between Mr.Land Manor to house parolees. then

On or about October 2,1996 Mr.Bill Seabourne of Land Manor Half-Way House of Beaumont,Texas conducted a "FIRE DRILL" and immediately transferred all in-house parolees to each respective Texas parole plan. He; from July 26,1996 through October 2,1996,had refused to then "Electric-leg-Monitor" the parolee;Carl Thomas Guichard,Sr. Guichard's parole was to be then transferred to Houston, Texas.

6 D, Later; and in violation of U.S.Government Rules Governing abuse on the Internet,the instant respondants placed the false articles of discrimination of character/ characters; on the Internet and in violation of the Privacy Information Acts(FOIPA) against the petitioner, using only Carl Guichard. Such not only violates the civil rights of Carl Thomas Guichard,Sr but as well the civil rights of Carl Thomas Guichard Jr,as well. (See continuish false allegations and abuse of Internet dated December 13,2002)

The Internet abuses by using the Internet alone violated all due process procedures for the parolee was

never accused of violating any law pertaining to them, by any individual, City, State or Government. The plaintiff has never been near or within the State of Connecticut, never been prior falsely accused of "threats to Mia Farrow", and has only followed the U.S. Court Order by the Honorable U.S. Chief Justice James DeAnda, "Exhaust all States Remedies First". end quote!

Later; the totally false and fraudulent written articles of June 9, 1997 E-online and Mr. Showbiz of June 10, 1997 as well...i.e.. December 13, 2002; were proven by the parolee to be false and successfully refuted within the December 14, 2001 "Notice of Revocation Hearing" held at Jester Three Unit of Richmond, Texas. The instant respondents; Mia Farrow; the Hartford Current Newspaper, the Cable News Network, Inc and e-mail Internet, News-Times, Showbiz; all failed to respect the due process of the plaintiff's civil right and off his son not to be discriminated against on nationwide and internationally abuse of the Internet.

The December 14, 2001 RECOMMENDATIONS by the Texas Parole hearing, pages 1 through 6 clearly refute the false allegations as stated within the articles illegally placed within the Internet: See the following:

1 STATEMENT FROM RELEASEE

IV. HEARING OFFICER'S COMMENTS: ☐ None ☒ As follows:

RELEASEE is not eligible for ISF placement.

RELEASEE raised a legitimate defense as to the allegations of not reporting, changing residence and not paying his supervision fees. Based on this, and the fact that the supervising parole officer was not present to refute this defense, insufficient evidence was established to show that RELEASEE violated Rules 1 (Failure to Report), 3 (Changing Residence) and 9-B (Failure to Pay Supervision Fees).

It was obvious to this hearing officer during the course of the hearing and RELEASEE'S letter to parole authorities; RELEASEE has difficulty maintaining focus on single issues. RELEASEE has a tendency to combine numerous events into one continuous event, which at times appears confusing. However, RELEASEE was adamant in stating that he has had no contact nor has he attempted to contact Mia FARROW or her children.

V. HEARING OFFICER'S FACT FINDINGS AND CONCLUSIONS OF LAW:

EVIDENCE STANDARD: ☐ Probable Cause ☒ Preponderance

A. I find from Exhibits A & B the Releasee is under the authority of the Board of Pardons and Paroles and is subject to and knowledgeable of the rules / conditions of his / her administrative release status.

B. Regarding the following allegation, I find:

RELEASEE was instructed and made aware of all terms and conditions of his/her administrative release; however, he/she failed to faithfully observe the following rule:

- (Rule 4) By being in the State of Nevada without written permission of his parole officer, on or about 10-01.

Name: **GUICHARD, CARL THOMAS**
 No.: **635692/01244286**

Administrative Release Hearing Report

Conversely, the evidence presented was insufficient to establish that RELEASEE violated the following rules:

- (Rule 1) By failing to report as instructed to Parole Officer B. SEABOURNE, on or about 11-18-96, at or about the Beaumont District Parole Office;
- (Rule 3) By changing residence to a location undisclosed to his parole officer, on or about 11-05-96; and
- (Rule 9-B) By failing to pay supervision fees as instructed since his release from TDCJ-ID.

I based the above finding(s) on:

- RELEASEE'S admission to violation of Rule 4;
- Exhibit C (Violation Report);
- The fact that RELEASEE'S supervising parole officer was not present this date to testify; and
- No further evidence being submitted.

Testimony of RELEASEE:

**** RELEASEE testified that contrary to his parole certificate, he was released from TDCJ-ID in 05-97 to a halfway house in Beaumont, Texas. Shortly thereafter, the halfway house encountered contract problems due to the fact that they were going to start admitting sex offenders to the residence. RELEASEE was told by his parole officer to find a new residence in Texas. He went to live with a friend in Texas. He contacted his parole officer who was aware that he was living in Houston, Texas. His parole officer told him that he would be hearing from a local parole officer in Houston, Texas. RELEASEE phoned numerous times to the parole office in Houston, Texas. He was told that they did not have his paperwork. He maintains that he was never instructed to report to Parole Officer Bill SEABOURNE and was told to wait to hear from Houston Parole Authorities. His parole officer knew where he was residing. Parole Officer SEABOURNE telephoned and said they wanted to tap his friend's phone line as well as place him on a leg monitor. Based on this, his friend would not allow him to reside with him any longer. He again attempted to contact Houston Parole Authorities to explain his situation but they were unable to assist him because they did not have his file material. At that time, his supervising parole officer was not B. SEABOURNE. RELEASEE also maintains that he was never instructed to pay supervision fees. He was not working at the time.**

**** In 1999, RELEASEE testified that he went to live in Nevada. He was living in various shelters in Nevada.**

CONCLUSION: RELEASEE violated Rule 4; however, he did not violate Rules 1, 3 and 9-B.

A. Parole Officer: ☐ Relied on Previously Submitted Adjustment Information, ☒ Introduced Exhibit D ☒ Presented No Further Information OR ☐ Presented the Following:

B. Releasee: ☐ None ☒ As follows:

RELEASEE stated that after leaving Houston, Texas, he went for a brief time to Louisiana and then returned to Houston, Texas. He then went to Las Vegas, Nevada. RELEASEE denies committing any new crimes. He maintains that he did not consume alcohol or use any illegal drugs. His sister recently had a stroke and he would like to see her. RELEASEE would like to live with his son in Louisiana should he be released on parole supervision. RELEASEE is currently 65 years of age.

7 B, I..MOTIONS/OBJECTIONS AND RULINGS/DETERMINATIONS, ETC.

The inmate/petitioner had previously submitted a November 19, 2001 letter addressed to the Texas Parole Board. It simply pointed out the "TORT'S INTERFERENCE" by Mia Farrow; et al., and later his newly then appointed December 14, 2001 attorney; Jewett, without first consulting with parolee he objected on the ground that an attorney had not then; November 19, 2001 been assigned. The inmate had no objection for his letter had addressed the issue of "TORT'S INTERFERENCE". Therefore; the letter of November 19, 2001 became apart of the record and of the then "tort's interference". And as well in relationship against the false Internet and News articles:

- 3, HE LIKEWISE NOTIFIED THAT IF THEY CONTINUED TO USE
AND ABUSE HIS U.S.CIVIL RIGHTS AS GRANTED THROUGH THE
U.S.COURTS (the 1994 legal letter) AGAINST HIM BY
TORT'S INTERFERENCE INTO PAROLE,HE WOULD REJECT ANY
STIPULATION "P"(electric-leg-monitor).
- 4, HOWEVER; "PURSUANT TO THE PATTERN OR PRACTICE OF
RESISTANCE" WHEREIN THE INMATES ARE FIRST TRANSPORTED
TO THE "WALLS" OF HUNTSVILLE,TEXAS THEN INFORMED THAT
THEY MUST SIGN ABRITARY DOCUMENTS OR BE IMMEDIATELY
RETURNED TO THEIR UNITS FOR FURTHER IMPRISONMENT.
THE INMATE VERBLY OBJECTED BUT WAS FORCED AGAINST HIS
WILL.

CRUEL AND UNUSUAL PUNISHMENT:

8B, ON JULY 15,2002 THE JESTER THREE MANDATORY RELEASE PAROLEE; CARL THOMAS GUICHARD,SR WAS THEN ASSIGNED TO CSI BEAUMONT CENTER LOCATED AT 2495 GULF STREET, BEAUMONT, TEXAS:

- 1, A BARB-WIRE FENCH IN "mini-prison" and under no American language could be described as a "half-way house". Consists of child abuse "parolees",mental health cases of insane violators "parolees", convicted murderers, the Mandatory Releasee was concerned for his safety and welfare.
- 2, THE MANDATORY 1992 RELEASEE HAD NEVER BEEN EXPOSED TO SUCH CONDITIONS IN WHICH HIS PERSONALITY, CHARACTER,WERE SO DISCRIMMATED AGAINST..I..E..TO IMPLY INCARIRATION AT CSI BEAUMONT CENTER.
- 3, THE INMATE WAS ASSIGNED TO WORK IN THE KITCHEN eight hours,40 hours per week and to attend parolee supervised meetings. He was not then assigned to attend any MHMR program nor was he then "electric-leg-monitored".

The average of parolees who abscond from the CSI Beaumont Center are two per day thus creating problems for local law enforcement and the Federal Bureau of Investigation.

CRUEL AND UNUSUAL PUNISHMENT

- 4, The MANDATORY RELEASEE; Carl Thomas Guichard, Sr., through "TORT'S INTERFERENCE ONLY" by respondents; Mia Farrow; et al., had never been exposed to such cruel and unusual punishment during his prior incarceration from September 17, 1992 to the then placing of him into the CSI Beaumont Center. His mandatory release as outlined within the 1992 Texas State Legislature did not include such "restraints upon his liberty".
- 5, Prior; the FI-2 parolee of November 4, 1993 had only to report to his respective parole officer but once a month. He also was not then required to participate within any programs of alcohol or drug abuse for he has no history or abuse of such.
- 6, And later during his FIRST MANDATORY RELEASE OF JULY 26, 1996 (after the tort's interference by respondent; Mia Farrow of February 9, 1995...i.e. "protest letter") She likewise continued by and in her acts of abuse of the Internet to discriminate against the parolee; Carl Thomas Guichard, Sr. and his son, Carl Thomas Guichard, Jr. The then Parole Officer; Mr. Bill Seabourne of Land Manor Half-Way House had refused to place an "electric-leg-monitor" upon Carl Thomas Guichard, Sr., as then requested by the respondent; Mia Farrow.

6 (continued from page 16)

And in addition; the then parolee was not required to participate within any alcohol or drug programs for he has/had no history of such abuse. Then to increase the Tort's Interference the additional respondents; The Hartford Current News; The Cable News Network, Inc., e-mail INTERNET NEWS-TIMES, SHOWBIZ, all violated the petitioner's U.S. Civil Rights of Due Process; Discrimination of character/characters; Carl Thomas Guichard, Sr & Jr...i...e..Carl Guichard; by placing an inflammatory article within the Internet never affording the lawful Due Process or Confrontation Clause as stated within the First Amendment of the United States Constitution. For the petitioner had never been in violation of any offense against the now instant respondent; Mia Farrow. Nor had/has any restraining order ever been issued against the petitioner; Carl Thomas Guichard, Sr.

9, CRUEL AND UNUSUAL PUNISHMENT CONTINUED

ON OCTOBER 21,2002 the petitioner; Carl Thomas Guichard,Sr.,successfully completed the CSI Beaumont Center program; all of which had "restraints against his liberty" and "paper programs" of which "infringe" upon his character and as a Mandatory Releasee of 1992. The mere presence of the former author of the book, "Child Custody for Men Only"1983,and his experience as Senior Sales Representative of Pakistan International Airlines...i...e... representative of several Airlines; to be within the CSI Beaumont Center which is well-known throughout the city of Beaumont,Texas to be for child-molesters; rapist,murderers;etc., completely denies the petitioner his pursuit for happiness as described within the United States Constitution. The motive to forward him into such a program created solely through and by the continuish "TORT'S INTERFERENCE" of and against his due process,and for the completion of sentence and parole.

CRUEL AND UNUSUAL PUNISHMENT

9 (continued from page 18)

- 1, from July 15,2002 through October 21,2002 the petitioner was never "electric-leg-monitored" while at CSI Beaumont Center nor was he then required to participate within any MHMR program (Mental health,retardation) for as previously stated and well documented,all know he has no history of anykind related to such an issue.
- 2, Nevertheless; the petitioner upon completion of the CSI Beaumont Center programs noted that his October 21,2002 release documents clearly stated that he had fulfilled all then requirements.i..e. "no electric-leg-monitor or MHMR requirement".
- 3, Later; and however, on November 5,2002 the "TORT'S INTERFERENCE ISSUE" had placed an "electric-leg-monitor upon the petitioner; Carl Thomas Guichard,Sr. Prior from October 21,2002 through November 5,2002 he was "free" from such restraint. His weekly visits to the parole office from October 21,2002 through November 5,2002 indicated not necessary; however it is apparent that the Internet articles by the now instant respondents; Mia Farrow; et al., of December 13,2002 again violated

the petitioner's civil right for due process and pursuant to a pattern or practice of resistance of the full enjoyment of those rights, and for completion of sentence and parole.

10, AND IN ADDITION; On December 18,2002 the Mandatory Releasee; Carl Thomas Guichard,Sr.,was forced to sign additional abritary documents to submit to "PRE-ENTRY" by paperwork submitted to him into a SPINDLETOP M.H.M.R.SERVICES,2750 South 8th Street, Beaumont,Texas programs.

a, Inmates/Parolees must first sign documents which inafect reflect that a pre-condition of mental health exist before seeing any physican,psychiatrist or person of professional statics.

b, Forced to pre-sign abritary documents which grant permission to issue drugs and medication against the inmate/parolee's consent. If they do not consent they immediately return to imprisonment.

c, After having been forced to sign arbitrary documents or be immediately returned to confinement, the petitioner; Carl Thomas Guichard, Sr., finally was interviewed December 18, 2002 by a Doctor Davis, Psychiatrist. The parolee then explained the "TORT'S INTERFERENCE" by the now instant respondents; Mia Farrow, et al and of the violation of their abuse of the government guidelines of abuse on the Internet. Then in addition:

I...the petitioner explained the prior U.S.

Cause H-85-4158 OBSTRUCTION OF U.S.JUSTICE;
and..i..e.. obstruction of Texas and Louisiana
Justice as well. Perjury and false written
statements by ex-wives of the petitioner.

II...the Texas Supreme Court Cause 01-85384CR Appeal
wherein the Texas Supreme Court stated,

evidence"against the petitioner; Carl Thomas Guichard,Sr. Thus forcing the original 1984 misdemeanor charge of "assault" dropped July 1, 1988.

III Also, in 1971 Jefferson Parish,Louisiana had dropped "parental kidnapping" for the Juvenile Judge ruled that Carl Thomas Guichard,Sr., father, had never been served any custody orders related to his then three children. Much later; the aforementioned respondents Mia Farrow;et al had announced to the world within their false and abuse of the Internet articles, that Carl Guichard had infact Kidnapped! Such abuse of the Internet violates the Due Process as previously afforded to petitioner.

IV On November 17,1988 the petitioner filed a federal complaint against Perjury by Della Brewer Wisnieske with F.B.I.Special Agent,Kenneth Knu.

the aforementioned respondents for the violation of his
U. S. Civil Rights and for the protection of his son's
future to refrain respondents from the abuse of using
the son's name in vein..i..e..merely,Carl Guichard.

The Petitioner claims that the party Mia
Farrow refrain from "TORT'S INTERFERENCE" into the
Due Process of the sentence and parole issues of 1992,
and of pending issues of adoption. To hold her financially
